

PROPEL FORKLIFT SWEEPER

The **PROPEL FORKLIFT SWEEPER** is an innovation in high capacity sweepers designed to operate in conjunction with your forklift truck. It offers the cleaning excellence of a dedicated sweeper at a fraction of the price. The PROPEL mounts to a forklift truck in just minutes for quick and efficient cleaning and easy disposal. Just raise the forks to elevate the sweeper and dump it directly into any standard dumpster. The PROPEL can be used indoors or outdoors and is easy to maneuver in tight spaces or large areas. Equipped with a quick change panel filter with shaker for dust control. The one-piece disposable main broom rotates for longer wear and can be changed in 2 minutes. It has a 60" sweeping path with a 900 lb. hopper capacity.
